To Whom It May Concern,

It is with great pleasure that I provide this letter of recommendation on behalf of Wavecrest Masonry, Inc. Wavecrest recently completed an 180,000 sq.ft. Middle / High School in Williston, FL. performing both the Concrete and Masonry scopes of work. Their contract was in excess of \$4.8 million.

The Wavecrest Team was very aggressive in meeting a tight project schedule where multiple buildings were under construction at the same time. At the peak of construction, Wavecrest had over 150 employees on site. Wavecrest's owner, Mike Wetherall, provided excellent leadership for his crews throughout the entire project and was very much a team player working alongside all of the other trades. Wavecrest was timely in providing submittals, shop drawings and managing the School Boards direct purchase program requirements.

I would highly recommend Wavecrest Masonry, Inc. for any project regardless of its size or complexity. They are true professionals in their trade who take great pride in their work.

Sincerely,
ACA Construction Group, LLC
